Greetings from St. Paul University Philippines!

You and your colleagues are cordially invited to be presenters and participants in the 3rd SPUP International Research Conference on December 14-16, 2017. The theme of the Research Conference is: "*Emerging Trends and Innovative Approaches in Global Education for the Third Millennium*".

The objectives are as follows: a) Strengthen knowledge sharing on emerging trends and innovative approaches for the 3rd millennium education among global stakeholders; b) Provide avenue for researchers, educators, practitioners and research enthusiasts to present results of their studies; c) Explore, update, interact, network and collaborate with local and international presenters and participants; and d) Sustain interest and passion for research and intensify engagement among participants towards knowledge generation.

The research and poster presentations will be on the following areas:

- *Health Care*
- *Internationalization of Education*
- *ASEAN Integration*

- *Intercultural Studies*
- *Science and Technology*
- *Peace Education*
- *Environmental Stewardship*
- *Spirituality and Humanities*
- *Policy and Governance*
- *Community Development*
- *Business and Entrepreneurship*

Thank you. Attached are the Call for Papers, Program, and Registration Form, and CHED Indorsement.
